SHORT DESCRIPTION

STAGE SAGA is a UAE creative production company making commercials, branded content and event films. We lead creative development, coordinate crews and technical production, and manage post-production through to delivery.

COMPANY DESCRIPTION

STAGE SAGA is a UAE creative production company for brands, agencies and event teams. We develop the creative and bring filming, photography, AV, livestreaming, animation and post-production together under one managed team. From a single campaign to a multi-day event or a season of content, we coordinate the people, production plan and delivery. STAGE SAGA LLC is licensed by Sharjah Media City (SHAMS).

CREDIT & CO-BRANDING

Suggested credit: Creative production by STAGE SAGA. Adjust the credit to reflect the agreed project scope. Keep enough space between our signature and other organisations' marks so each identity remains distinct.

KEEP IT CONSISTENT

Do not stretch, rotate, redraw or add effects to the logo. Do not remove TM or the English companion line from localised signatures. Use the supplied logo colour versions without recolouring.

WORKING TOGETHER

For collaborations, share the proposed scope, audience, dates and how STAGE SAGA will be credited. For print, embroidery or additional formats, contact mediaunit@stagesaga.com.

Files supplied: transparent PNG logos, founder portrait, company copy and colour values. The logo files are raster artwork, not vectors.
